Questions:

Why does NYSA not have sponsors? You cannot have teams sponsored, but people can donate \$. This is going on in other areas – Kilgore, Longview . . . They can sponsor an entire association. Brian would encourage NYSA to go this route.

Jaycee's donated \$500 to NYSA this year, which will be used for picnic tables

Why don't we have any tournaments? Field space, we only do the 4X4 w/ SFA

Comment: Parents are not getting the word out. More parents would help out if they knew what was going on. NYSA needs to improve the communication.

Jennifer asked about changing the time of officer's elections. Brian responded that could not be voted on at this meeting. It can be brought up at a future board meeting.
